

STACKER DOORS (4 & 8 PANEL)

AA SERIES

For the ultimate in overall door width, eight panel Stacker Doors are able to span 12 metres, whilst four panel versions max out at 6 metres

Each of the three rows of panels roll on two 80kg rated, ball-bearing carriages, which in-turn run on heavy-duty anodised track inserts. Flyscreens are not available

All glass is installed into dual vinyl sided rebates, ensuring vibration free glazing. Sliding panels are weatherproofed through dual wool-pile seals at the head, jamb, sill & interlocker

The secure lock assembly features anti-lift pins & is key lockable from both sides (left). An instile lock & architectural handle (at right) is an optional upgrade (only available in satin-chrome finish)
